

PARENT VOLUNTEER INFORMATION

Rower: _____

Date: _____

AJRA is a parent-run organization. To make each season a success, we require a commitment from each family. Lists of volunteer tasks will be available at the mandatory rowers/parents meeting, and the Parent Social shortly thereafter. Each family is required to choose one task for the season; multiple volunteers from each family, or volunteers who would like to help even more are ALWAYS welcome; we will circulate a list of any unmet needs once each family has had a chance to sign up. Listed below are examples of areas where parent help is needed but the number of jobs per area varies, so please stay flexible! The Board Member/ Committee Chair of that area will contact you early in the season to familiarize you with the specifics of the job you indicated. **Developmental Program parents are exempt from this requirement, but are welcome to participate!**

Many opportunities are available for evenings and weekends for those who work. Final committee/task placements are dependent on the needs of the association. Please expect at least a 4-hour commitment for the season. If you are unable to commit to any volunteer hours, you may pay an opt-out fee of \$250.00 for the season, made payable to AJRA.

Examples of volunteer areas:

- Communications/P.R.
- Administrative Work
- Spirit Wear
- Facilities/Equipment
- Regatta Food Preparation
- Special Events
- Regatta Chaperones
- Sponsorships
- Membership/Registration

Parent(s) Name(s) _____

Choose One:

_____ I choose to volunteer my time to make the AJRA experience a great one.

_____ I choose to opt-out of a volunteer task; I will make a \$250.00 contribution made payable to AJRA.

I have special skills, background or knowledge in a specific area that would be especially beneficial to AJRA (i.e., accounting, computer software, carpentry, motors, travel/event planning, catering, and photography):
